The uniqueness in this ministry is based on its foundational scripture of Isaiah 42:9 which God gave to its founder, Kim Crabill, over 30 years ago. Her goal from the start was that all content be applicable to all denominations, ages, and backgrounds, and that all discussions remain free from denominational or political issues.

"The book is however about more than just coaching basketball, it sheds a lot of much needed light on the destructive effects of bullying. As one who was viciously bullied all throughout my own youth, by both peers and coaches, as I read, I kept saying to myself "I really needed a Coach Dahlborg when I was young."

"I enjoyed reading this book very much. So many wonderful take-away lessons
