HOST OF COFFEE WITH KIM  
LIVE TALK RADIO

# Hi, I'm Kim!

IT'S SO NICE TO MEET YOU

Our program is a one-hour LIVE internet radio show and podcast that creates a place for friends of faith to engage in real and relevant conversations. We at COFFEE (Conversations Of Friends of Faith to Encourage and Equip), are convinced that as we talk about our lives and view them through God's truths, we discover that what we've gone through is exactly what God plans to use to encourage and strengthen others. No part of our lives is wasted, in fact, every part of our lives can be our personal message of God's hope to those around us. As we talk, we will discover a purpose for both the pain we've experienced and the wisdom we've gained.
